Re: Anna Eshoo for Congress, FEC ID #C00258475
April Quarterly Report (2/14/02-3/31/02)

Dear Ms. Sugarman:

Thank you for your recent letter regarding the Anna Eshoo for Congress Committee. Your letter states that some discrepancies occurred between figures reflected on Column B for the Summary and Detail Summary Page. Your letter also states that the Committee may have failed to file a "last minute" contribution.

A discrepancy did occur between the totals reflected in Column B of the Summary and Detailed Summary Page for Lines 7(a), 7(c), 17 and 21. This error was simply due to a computational miscalculation. The Committee will promptly file an amendment to the above report to correct the summary pages.

With regard to the reporting of "last minute" contributions, the Committee received notification of an inkind contribution from Advanced Medical Technology Association Political Action Committee after the close of the "last minute" contribution reporting period. Therefore, the Committee was unable to submit written notification to the Commission within 48 hours of receipt of the contribution. We have a copy of the letter showing that we received information about the contribution after the notification period had ended. We are happy to provide a hard copy to the Commission if you so request.

Please feel free to call me if you have any questions.

Sincerely,

Bruce Ives
Treasurer
